

6 Gold's Very Important Pupil (VIP)

9 February 2011

Dear Parents/ Caregivers,

During the year, your child will be highlighted in our classroom as the "V.I.P".

Each student will have a turn to be this special person in our class. This is a time when the class has the opportunity to know your child much better. We particularly hope to find out more about your child's specific interests such as:

- Talents and interests
- Family members
- Travel stories
- Goals
- Favourite things
- Background
- Unique Qualities.

Please refer to the table on the back of this letter to see when your child will be our VIP

The week prior to your child being the VIP in our classroom, it is expected they will do three things...

1. Create a poster displaying their information.
 2. Plan a lesson where they teach the class a new skill or game on Wednesday during Block 6
 3. Bring to school any special items they wish to display, such as memorabilia, trophies, photos etc.
- An area has been set aside in the classroom for them to display special items.

Students are welcome to use cardboard from the classroom to prepare for the V.I.P display. Any other homework will still need to be completed however I am happy to negotiate this with the student.

Posters will be presented to our class on Wednesday during Block 6 so it is important students are prepared and have practised their presentation.

Thanking you for your support.

Kind Regards

Ms Sue Willcock
(Year 6 Gold Class Teacher)
